

Health, Safety and Welfare Policy (Staff and Pupils)

1 Introduction

- 1.1** The health, safety and welfare of all the people who work or learn at our school are of fundamental importance. We aim to provide a safe, secure and pleasant working environment for everyone. The governing body, along with the LEA, takes responsibility for protecting the health and safety of all children and members of staff.

2 The school curriculum

- 2.1** We teach the children about health and safety in order to equip them with the skills, knowledge and understanding to enable them to live positive, successful and healthy lives. Teachers take every opportunity to educate children in this regard in the normal school curriculum. For example, across the school, we teach the children about the work of the police and fire service. Through this topic we teach children about the danger of fire, and how to avoid accidents. Through the science curriculum we teach children about hazardous materials, and how to handle equipment safely.

- 2.2** We teach children respect for their bodies, and how to look after themselves. We discuss these issues with the children in PSHE lessons and we reinforce these points in design technology and science, where children learn about healthy eating and hygiene. We also show them how to move and play safely in PE lessons.

- 2.3** Health and safety issues also arise when we teach care for the environment and awareness of the dangers of litter. Key Stage 2 children receive sex and drugs education. (See the Drugs Education Policy and the Sex Education Policy.)

- 2.4** Our school promotes the spiritual growth and welfare of the children through the RE curriculum, through special events such as harvest festivals, and through the daily act of collective worship.

- 2.5** Each class has the opportunity to discuss problems or issues of concern with their teacher. Teachers use circle time to help children discuss and overcome any fears and worries that they may have. Teachers handle these concerns with sensitivity.

3 School meals

- 3.1** Our school provides the opportunity for children to buy a meal at lunchtimes. If parents are in receipt of income support, they may claim free school meals for their children. We do all we can to ensure that the meals provided have a suitable nutritional value, in line with the requirements of the School Standards and Framework Act of 2008. For further information, please see our Food Policy.

- 3.2** Our school promotes a healthy lifestyle. Our teaching sessions begin at 8.30 am, so playtime is at 10.20am. Children bring 10p each week so that they may be provided with a piece of toast, a biscuit or fruit and milk or water as a mid – morning snack.

4 School uniform

- 4.1** It is our school policy that all children wear the school uniform when attending school, or when participating in a school-organised event outside normal school hours. We agree the requirements for school uniform with parents and we review these regularly.
- 4.2** We always have a sensitive approach where the issue of regulations regarding uniform conflict with any child's religious or cultural beliefs. We have drawn up the regulations regarding school uniform with due regard to issues of equal opportunity and sex discrimination.
- 4.3** It is the responsibility of the headteacher to ensure that the school uniform policy is enforced. It is not our school policy to exclude children from the school if they, for whatever reason, do not have the proper school uniform.
- 4.4** We ask parents to equip their children with the necessary uniform and school equipment, so that they are able to participate fully in all school activities. If a child repeatedly attends school without the correct uniform, we will inform parents and request that they make sure their child leaves home with the proper uniform. If a parent is in financial difficulties, and this results in a child not having the correct uniform or not having adequate equipment, our school will do all it can to support the parent. We ask parents not to send their child to school with 'extreme' hairstyles or the sort of appearance that is likely to cause them to draw attention to themselves. We ask parents to discuss any issues relating to their child's appearance if this is influenced by religious belief.
- 4.5** On grounds of health and safety we do not allow children to wear jewellery in our school. The exception to this rule is ear-ring studs in pierced ears. We ask children either to remove these during PE and games or to cover them with a plaster.

5 Child protection

- 5.1** Mrs Jodie Lumb is the named person responsible for child protection in the school.
- 5.2** If any teacher suspects that a child in their class may be the victim of abuse, they should immediately inform the named person about their concerns.
- 5.3** The school's named child protection officer works closely with social services and the Area Child Protection Committee (ACPC) when investigating such incidents. We handle all such cases with sensitivity and we place paramount importance on the interests of the child.
- 5.4** We require all adults employed in school to have their application vetted through police records in order to ensure that there is no evidence of offences involving children or abuse.

6 School security

- 6.1** While it is difficult to make the school site totally secure, we will do all we can to ensure the school is a safe environment for all who work or learn here.

6.2 The front door of the school is security – locked during the school day; any visitors to the school can be observed by the school clerk who is in the school office for four mornings and three afternoons each week. At other times, visitors can only gain entry by ringing the front door bell, which rings in the infant classroom. Other outside doors are locked during morning and afternoon sessions and all external gates are locked at 8.35am each morning.

6.3 Teachers will not allow any adult to enter their classroom unless they are authorised to do so.

6.4 If any adult working in the school has suspicions that a person may be trespassing on the school site, they must inform the headteacher immediately. The headteacher will warn any intruder that they must leave the school site straight away. If the headteacher has any concerns that an intruder may cause harm to anyone on the school site, she will contact the police.

7 Safety of children

7.1 It is the responsibility of each teacher to ensure that all curriculum activities are safe. If a teacher does have any concerns about pupil safety, they should draw them to the attention of the headteacher before the activity takes place.

7.2 We do not take any child off the school site without the prior permission of the parent. All children and staff off site wear high visibility jackets at all times. This is especially important while on a local walk, as there are no pavements around the school premises.

7.3 If an accident does happen, resulting in an injury to a child, the teacher will do all she can to aid the child concerned. Please see First Aid and Medicines Policy for First Aid procedures.

7.4 If necessary, the school secretary will telephone for emergency assistance with approval from the Headteacher.

7.5 We record all incidents involving injury in the school logbook, and we inform parents in all cases. Should a child be quite seriously hurt, we contact the parents through the emergency telephone number that we keep on the school files.

8 Seat belts

8.1 We only use coaches and mini-buses where seat belts are provided. We instruct the children to use seat belts at all times when the bus is moving.

9 Theft or other criminal acts

9.1 The teacher or headteacher will investigate any incidents of theft involving children.

9.2 If there are serious incidents of theft from the school site, the headteacher will inform the police and record the incident in the incident book.

9.3 Should any incident involve physical violence against a teacher, we will report this to the Health and Safety Executive and support the teacher in question if he or she wishes the matter to be reported to the police.

10 Monitoring and review

10.1 The governing body has a named governor with responsibility for health and safety matters. It is this governor's responsibility to keep the governing body informed of new regulations regarding health and safety, and to ensure that the school regularly reviews its processes and procedures with regard to health and safety matters. The governor in question also liaises with the LEA and other external agencies, to ensure that the school procedures are in line with those of the LEA.

10.2 The governing body, in consultation with professional advisors, carries out regular risk assessments to ensure that the school is a safe environment.

10.3 The headteacher implements the school health, safety and welfare policy on a day-to-day basis, and ensures that all staff are aware of the details of the policy as it applies to them.

10.4 The headteacher reports to governors annually on health and safety issues.

10.5 This policy will be reviewed at any time at the request of the governors, or at least once every two years.
