March 2025

Dear families,

Thank you for attending our pupil progress meetings this week, we value this time to share your child's progress & hope you found it useful. Please remember we have an open door policy and staff are always available to discuss your child's progress with you. If you ever have any concerns please do not hesitate to contact the school office.

This week our Year 5 & 6 children visited Melling to take part in an electricity workshop, delivered by STEM First. It was a super afternoon and the children enjoyed seeing their friends at Melling!

We are looking forward to celebrating World Book Day next week - we can't wait to enjoy breakfast with our families and friends and see how creative the children can be with their costumes!
